

## NCC GRIME REMOVER

### Intensive Cleaner & Grime Remover For exterior use

For all types of natural and reconstituted stone paving and other surfaces including, limestone, sandstone, granite and slate, plus porcelain & quarry tiles, brickwork & concrete.

Effective for removing oil, grease, ingrained dirt and grime and old layers of sealer.

Ideal for initial cleaning of newly installed surfaces before pointing or grouting and for refurbishing existing older surfaces.

**Important:** - Test on an inconspicuous area before general application. Mask and protect painted surfaces, untreated wood and other sensitive areas. Rinse off any overspray. Any product remaining on surfaces should be completely neutralised. and removed with a little clean water applied by sponge.

### Directions for use

#### **In mild cases and on absorbent surfaces:**

Dilute 1:10 parts with warm water. Apply with a cloth or mop keeping wet allow to react for a few minutes and wipe off thoroughly with a clean damp cloth.

#### **In more severe cases:**

Dilute 1: 3 parts with warm water. Apply liberally, spreading over surface of tiles. If necessary agitate with a scrubbing brush. Leave to react for a further 5-10 minutes, keeping wet with additional solution. Agitate surface again, mop up and rinse thoroughly with clean water.

#### **In extremely severe cases:**

Use undiluted and agitate with scrubbing brush or mechanical scrubber if necessary. Neutralise treated surfaces with clean water after use. Where necessary repeat the relevant procedure.

### Coverage: M<sup>2</sup> per application

	1 LTR	5 LTR	25 LTR
Surface cleaning	N/A	250m <sup>2</sup>	N/A
Deep stripping	N/A	125m <sup>2</sup>	N/A
In extreme cases	N/A	75m <sup>2</sup>	N/A

### Storage information

Store in a cool, dry, frost-free environment in closed container. Shelf life up to 5 years.

*This information is offered without guarantee. The material should be used so as to take account of the local conditions and the surfaces to be treated. In case of doubt, the product should be tried out in an inconspicuous area*

## Other

This product should not be used for every day cleaning or for floors or walls that have been sealed, unless the intention is to re-seal them afterwards.

Surfaces that have been previously sealed and cleaned with this product should be re-sealed with NCC Sealer or NCC Sealer & Enhancer. This should be done after rinsing surfaces down with plenty of clean water and after surfaces have had sufficient time to dry thoroughly (min 24hrs).

Do not use in temperatures under 5°C or over 25°C. Clean application tools and equipment with clean water after use

## Health, Safety & Environmental

### Causes skin irritation. Causes serious eye irritation

If medical advice is needed, have product container or label at hand. Keep out of reach of children. Wash hands thoroughly after handling. Wear protective gloves and eye protection. **IF ON SKIN:** Wash with plenty of water/soap. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If skin irritation occurs: Get medical attention. If eye irritation persists: Get medical attention.
