

NCC BLACKSPOT & GREEN GROWTH REMOVER

For all types of external natural stone and reconstituted stone surfaces as well as concrete & Porcelain pavers.

The viscous formula clings to the surfaces without attacking the substrate. Cleans and removes Blackspot & dirt including stubborn green and dark deposits caused by plants and leaves.

The bleaching action helps to restore stone and other mineral surfaces on walls and paving.

Directions for use

DIRECTIONS FOR USE

SHAKE WELL BEFORE USE.

Always test an inconspicuous area before general application. This product contains bleaching action. Ready to use formulation. Apply neat directly to the surface to be treated through a plastic watering can or light pressure garden sprayer. Leave to absorb. Product will begin to fizz as it gets to work. Leave 2-4 hours to allow time to work. Hose off thoroughly with clean water. Ensure that the area to be treated is cleared of garden furniture and other items so that they are not in accidental contact with the product. Ensure all loose dirt and other physical debris is removed first by brushing prior to application. The product can be applied to both slightly damp or dry surfaces. Do not apply to surfaces where they are saturated from recent rainfall or if rain is due within the time period required to treat the surface.

NB: Keep pets and children away from area until entire operation is completed. In case of contact with metals, fabrics and painted surfaces rinse with water immediately. Avoid contamination in to ponds.

Rinse all equipment that has been in contact with the product with cold water after use. Do not use in conjunction with acid based removers or other acid based cleaners.

Preventative Treatment: Sealing newly cleaned surfaces with NCC Waterbased Paving & Patio Sealer or NCC Stone Sealer & Enhancer will help prevent moisture and organic particles from absorbing into the surface, reducing the future growth of algae and black spot.

Do not use when surface temperatures are under 5°C or over 25°C.

Coverage: 5 litre container

Up to 25 sq m

Storage information

KEEP UPRIGHT in a cool dry place.

Shelf life: Once opened use within 6 months of purchase for optimum results.

Health, Safety & Environmental

Contain: SODIUM HYPOCHLORITE

Ingredients: www.nccstreetscapes.co.uk/dr
